

A built-in bathtub for your new home

The "Viceroy" built-in bath is one of the most beautiful enameled plumbing fixtures ever produced.

It is cast in one piece, and is exceptionally low in price, due to manufacturing economies.

This attractive tub is one of the latest examples of KOHLER trade-marked Enameled Plumbing Ware, which is notable for its high quality and the pure whiteness of the enamel.

Visit our show rooms today and see the "Viceroy," as well as the KOHLER lavatories and sinks we are exhibiting.

Unselfish Mother Love

Mother Love is one of the most sacred things in the world. It prompts the mother to give her strength—her life even—gladly—happily—that her child may be safer, happier, stronger or better in every way.

Just a food—especially prepared to aid in making red blood and strong healthy tissue—is what she needs. Then all the natural functions of the body will be easily carried on without the least sense of fatigue or strain.

With plenty of red blood in her veins, mother will feel no ill effect from nursing baby.

Hemo will aid mother in supplying baby with a quantity of good quality milk and at the same time improve her general physical condition. When it is impossible to nurse the baby, secure the best possible nearly like mother's milk by asking your druggist for Thompson's Food (Peptonized).

We suggest that you try a 50c package with our guarantee of satisfaction.

PHILIP ZIEGLER.
Philip Ziegler the subject of this notice was born five and one half miles southwest of Wauseon, Ohio, October 25th, 1859. He died at his home in Wexford County, Michigan, July 13th, 1916, aged fifty-six years, eight months and eighteen days. He was the fifth of eight brothers, born to Philip Sr. and Cathryn Ziegler, who were among the first pioneer settlers of Clinton township, Fulton County, Ohio. He was united in marriage June 25, 1883 to Edith M. Fullerton of Pettitville, Ohio. To this union was born five children: Della, Augustus, Korah, Floyd and Maude. The three daughters and eldest son residing in Cleveland, Ohio the younger son in Detroit, Michigan. The wife and above named children are left to mourn their loss of a good kind husband and father. There are three brothers that survive him who sadly miss him with a great number of relatives and friends to mourn his departure. The greater part of his life was spent on the farm. In the Spring of 1896 he with his family moved to Wexford County, Michigan, where he bought a farm located thereon and lived until the death angel called him to the other shore. About six years ago he was converted and united with the Christian church, living a faithful Christian life, a firm believer in the teachings of the Bible and that all who put their trust in the Lord and Savior Jesus Christ shall reap the reward of life everlasting.

A precious one from us has gone, A voice we loved is stilled, A place is vacant in our home Which never can be filled.

Funeral services were held Sunday at 2:00 in the Christian Church, Rev. A. W. Hart officiating. Burial was placed in vault awaiting burial.

STOCK AT COUNTY FAIRS.
Why not show your pure bred cattle or swine at the county fair this fall? Breeders frequently sell their surplus stock at the fair and contract for additional stock to be delivered later during the year. It is now time to begin the fitting of show stock, states J. S. Coffey of the Animal Husbandry Department, Ohio State University. Exhibitors generally wash show cattle each week and generally start them on a forcing feed. A glossy coat is desired by all cattle men.

Hogs require extra care during hot weather so that the forcing feed does not cause them to "go off feed." Abundance of shade, forage and fresh water is provided by many swine raisers to keep the animals in show condition.

Can't Lose Hair
Twenty Years from Today a Baldheaded Man Will Be An Unusual Sight

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press. He said: "If the new hair grower, Mildredine Hair Remedy, is used as directed during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredine Hair Remedy is used as directed, dandruff will disappear and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now bald heads will be a rarity. An Easy Way To Reduce Flesh
Drink Hot Water and Take Tasso

Haven't you often wished for a medicine to reduce your flesh? Something that does not require dieting or calisthenics? Well, right here you have it in Tasso tablets, which you may secure at any drug store.

They are pleasant to take, perfectly harmless and cause no restriction of habit or feeling, and reduce the flesh little by little, until you are down to the number of pounds you wish to weigh. Too much flesh is undesirable, as most stout stout people will readily admit, and it detracts from one's good appearance; makes one clumsy and short of breath. There isn't any reason why one should not feel perfectly satisfied with any drug store. Tasso tablets (don't forget the name) are recommended by physicians and are guaranteed to be perfectly harmless. Before substituting, if you can not come to our store, we will mail Tasso to you.

Hacking Coughs
"Granny" Chamberlain

"For Hacking Coughs that rob you of your sleep till your system becomes so run down that you are in grave danger of Pneumonia or Consumption, the kind that almost tear you to pieces, that make your head ache, your throat sore and inflamed, take

Chamberlain's Cough Remedy

It soothes and heals the inflamed air passages, stops the tickling in the throat, and by its tonic effect enables you to throw off the disease. Chamberlain's Cough Remedy is quite different from the ordinary cough medicine, for it not only soothes but also heals, so that the effected parts are restored to a healthy condition and the danger of a future attack is removed. I firmly believe that it is the best and most reliable preparation ever produced for coughs and colds."

Yours for Health —Granny Chamberlain

CHANDLER SIX \$1295

There Has Been No Springtime But There'll Be a Long Summer

There have been months of cold and rain and mud, but now there will be months of clear skies and hard roads.

It is the motoring season. It is the vacation season and the touring season. It is the time to buy the new car.

In the Chandler Type 17 you buy a car tested and proven, a car with nearly four years of refinement and development back of it. A car free from experimentation too, a car of which thousands have gone into use on American roads in the past six months.

The Chandler does not introduce mid-season models. Chandler leads, and Type 17 announced January 1st is distinctly the car of the year. There has been no occasion to modify it, no opportunity to improve it, no need to call it by a new name.
